

Accredited!!!

1. Celebrating Full Accreditation!

We are thrilled to announce that Life Roots School is now fully accredited by the International Christian Accrediting Association, from pre-school through grade 12. This significant achievement opens doors for us to pursue two additional international accreditations.

Benefits:

- ❏ Collaboration with ORU: Our students will have opportunities for scholarships and the possibility to earn university credits while still in high school. This can reduce both the cost and duration of college education depending on the student's chosen path. Currently, these opportunities are available through our collaboration with ORU, with more details to follow. We are excited about the new doors God is opening for our school!
- ❏ Curriculum Enhancements and Developments: Accreditation has enabled us to enhance and develop our curriculum further. We are working on exciting partnerships that will bring more innovative and comprehensive educational opportunities to our students. Stay tuned for more updates as these partnerships are finalized.

2. Transition to LIFEPAC® and SevenStar Curriculum

As we fully roll out the LIFEPAC® and SevenStar curriculum and transition away from ACE, we extend our heartfelt thanks to all parents for your steadfast support. We understand this transition has been challenging, and we appreciate those who have continued to believe in and support this change for the betterment of our students and school community.

Affiliation with Sevenstar Academy: LifeRoots Schools is now an affiliate school of Sevenstar Academy. This affiliation allows our students to benefit from dual credits and earn scholarships to universities partnering with Sevenstar, such as Taylor University and Gordon College in Massachusetts.

We also thank all parents who attended the student-supervisor conferences. Your involvement in your child's progress is invaluable and greatly appreciated.

3. Innovation Exhibition

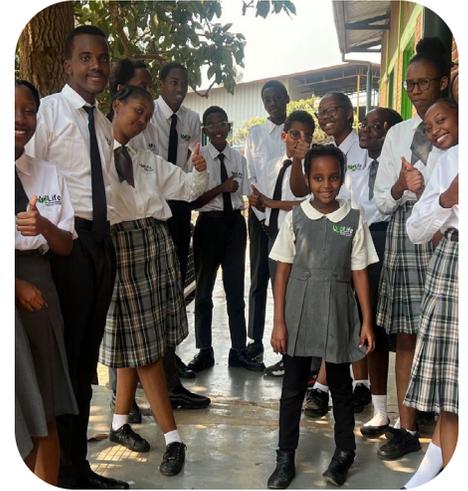

Mark your calendars for the Innovation Exhibition on July 30, 2024. This event will showcase the creativity and ingenuity of our students. We look forward to seeing you there!

4. Congratulations to Our Graduates

We are proud to congratulate our three students who have successfully completed grade 12. Your hard work and dedication have paid off, and we wish you all the best in your future endeavors. The class of 2024 graduation ceremony will soon be communicated. We can't thank God enough for all he is doing through LifeRoots Schools!

5. Flexible Payment Plans

We acknowledge the anticipation for the flexible payment plans mentioned in our last newsletter. Implementation is still underway, and we will communicate further details soon. Thank you for your patience.

6. Term Dates

- ✔ **2nd Term Ends: August 1, 2024**
- ✔ **3rd Term Begins: September 2, 2024**
- ✔ **Half Term: October 14 - 18, 2024**
- ✔ **End of Term: November 29, 2024**

7. Thank You, Parents!

As the term comes to a close, we want to extend our deepest gratitude to all parents for their unwavering support. Thank you for driving your students to school, helping them with their homework, paying tuition, and everything in between. Your participation and dedication are invaluable to us, and we appreciate you so much.

Important Takeaways for This Issue:

- ✔ Innovation day is 1st August
- ✔ End of term is 1st August.
- ✔ Start of Next Term: September 2, 2024

We are grateful for your continuous support and involvement in making LifeRoots Schools a thriving community. Stay tuned for more exciting updates and opportunities!

Warm regards,

Ram Birungi

Principal, LifeRoots Schools
