

WELCOME BACK!

1. Welcome Back to a New Term!

We are excited to welcome everyone back from the holiday break and hope you had a restful time with your families. A special thank you to all the parents for taking such great care of the students during the break. We look forward to a fruitful and productive term ahead.

2. A Huge Thank You for the Innovation Exhibition!

We would like to extend our heartfelt gratitude to all the parents for your incredible support during the end-of-term Innovation Exhibition. The event was a marvelous success, showcasing the creativity and brilliance of our students. Your participation and encouragement helped make this event truly special, and we are immensely proud of our students' accomplishments.

3. New School Year Calendar Update

In line with the Ministry of Education's new initiative, we are now starting our academic year in September. This means that this will be our 1st term moving forward, and we will continue to communicate updates on how the school calendar will be structured throughout the year.

For now, please note that the current term began on September 9th and will end on 6th December, 2024. Further details regarding term dates and holidays will be shared soon.

4. Ministry of Education Visit – Commendation and Future Improvements

We are delighted to share that inspectors from the Ministry of Education recently visited our school and commended us for the excellent work we are doing. They encouraged us to continue maintaining high standards. A few constructive suggestions for improvements were made, and we are committed to implementing these alongside our ongoing accreditation enhancements.

Improvement plans are currently being drafted by the school administration and will be put into effect throughout the year.

We kindly ask all parents and students to welcome any changes positively, as they are designed to enhance the overall quality of education and the school environment.

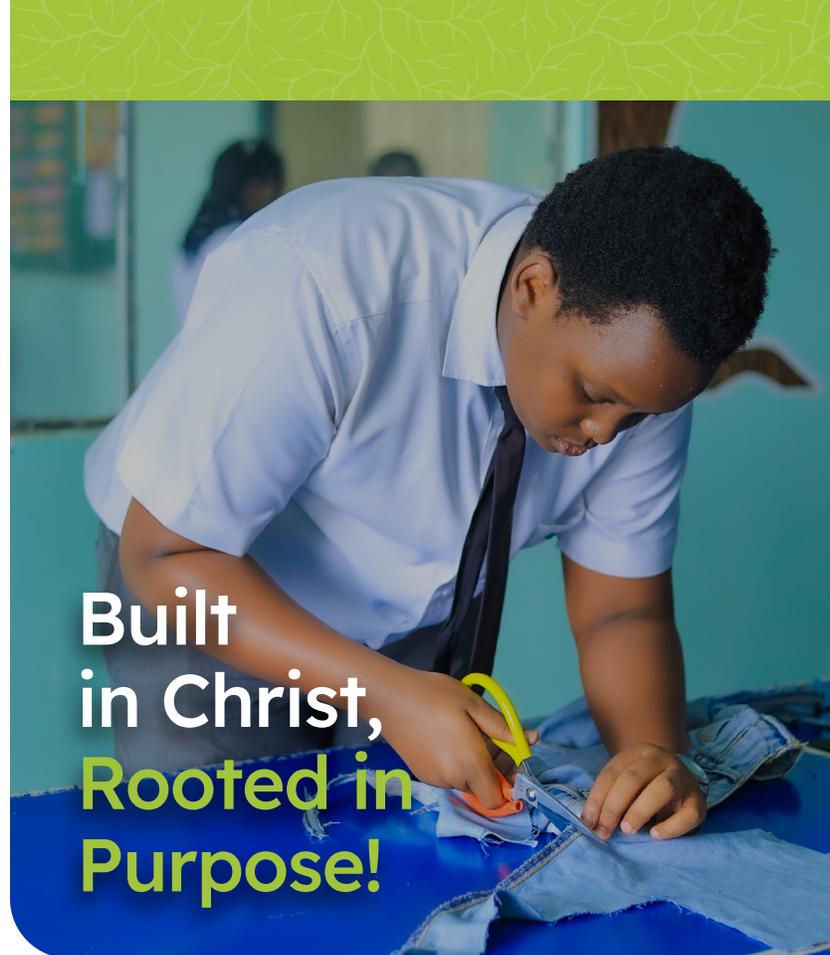

5. International Assessments

This term, our students will take their first assessments with an international assessment body. These assessments will allow us to benchmark our school's performance against international standards. We will be able to see how our students perform relative to their peers globally, across various subjects. Further communication will be shared on this, and the results will be discussed in our next newsletter.

6. Payment Plans – Coming This Term

We understand that the implementation of the new payment plans was long overdue. Due to the packed schedule last term, including our 10-year celebration and accreditation events, we were unable to launch it earlier. However, we are committed to rolling out the payment plans this term. Each parent will be placed on a plan that suits their needs, ensuring flexibility and convenience.

To facilitate this, we will soon share a link where parents can schedule appointments to visit the school and go through the available payment plans. We appreciate your patience and understanding in this matter.

**Built
in Christ,
Rooted in
Purpose!**

7. End-of-Year Presentation – Mark Your Calendars!

As we approach the end of a remarkable year, we are excited to announce a special End-of-Year Presentation. Please mark your calendars for 6th December, 2024. Our staff and students are preparing something exceptional to close the year, and we would love to have all parents and families join us in celebrating this year's successes and blessings.

8. Thank You, Parents!

Once again, we want to express our deepest gratitude to all the parents for your continued support, both to the students and the school. Your involvement and encouragement mean the world to us, and we look forward to achieving even greater milestones together this term.

Key Takeaways:

✔ **New School Year Structure:**

- Term started on **9th September, 2024**
- Half term break: **21st -25th October, 2024**
