

A New Year of Exciting Developments!

Dear LifeRoots Schools Family,

Happy New Year and Welcome Back!

We hope you enjoyed a joyful and restful holiday. As we welcome everyone back, we are thrilled to share that this term promises to be one filled with exciting developments, enriching experiences, and valuable opportunities for growth.

Ghana Interschool Visit & Competition

We are excited to announce our upcoming Ghana Interschool Visit and Competition, scheduled from April 12th to 22nd. Our students, Grades 9 - 12 will visit Oasis Christian School in Kumasi, Ghana for an event that will foster competition, networking, and cultural exchange. A special highlight of the trip is our visit to the Rwandan Embassy in Ghana, hosted by our former parent who now serves as an ambassador. If you are interested, please register your child/children using this link: **CLICK HERE TO REGISTER!** Further details will be shared parents who have expressed interest for their child/children.

Introducing DeepRoots Bible Program

This term marks the launch of our DeepRoots Bible Program, which will be available for students from Pre-school through Grade 6. The program is designed to deepen our students' connection with the Word of God by providing an engaging, interactive online platform. Both students and parents will have linked accounts, enabling you to follow your child's spiritual journey and growth. We are confident that this initiative will reinforce our core values and support our students in their personal development.

Renaissance Learning Initiative

Following the success of our initial testing last term, we are pleased to continue with our Renaissance Learning Initiative. Assessments will be conducted throughout this term, and results will be promptly shared with parents. This ongoing process is part of our commitment to ensuring academic excellence and continuous improvement in our teaching and learning practices.

Uniform Update

We understand that uniform provision has been a concern. We kindly ask for your continued patience as we finalize the new designs and sourcing arrangements. In the near future, we will be launching an online store where orders can be placed, and uniforms will be delivered directly to your door. This initiative is a part of our comprehensive rebranding efforts aimed at enhancing the overall experience for our students and parents.

In the meantime, a limited number of uniforms have been made available at the school reception for those in urgent need.

Half Term and Transition to Semester System

We would like to inform you that we will have a half-term break from February 17th to February 21st. Additionally, as a brief reminder, we will be transitioning to a semester-based system by the end of the third term in July. Further details will be shared as we approach the change, ensuring a smooth and informed transition for all.
